

To Whom it May Concern:

I highly recommend Jason Godfrey as a candidate for employment. Jason was employed by Tango y Vinos Wine Bar as a Bar tender and waiter from July 2012 – January 2014. Jason was worked in the bar; serving tables and on the odd occasion helped out with content on the website. This included dealing with money, advising customers on different wines and providing quality customer service.

Jason is an excellent multi-tasker. In addition, he is very dedicated, able to work extremely hard when required and used his own time to learn more about wine. As he has almost completed his Service Management bachelor at CBS, I have spent time with him discussing different parts of the business. Jason always takes responsibility for his actions no matter the task.

Jason would be a tremendous asset for your company and has my highest recommendation. If you have any further questions with regard to his background or qualifications, please do not hesitate to call/write me.

Sincerely,

Daniel Nacach
